Enhancing the Coping Skills of Submariners: An Evaluation of the Effectiveness of Skills Based Stress Management Training

Lucinda McDougall
School of Psychology
Murdoch University

This thesis is presented for the degree of Doctor of Psychology (Clinical), Murdoch University, 2007.

Declaration

I declare that this thesis is my own account of my research and contains as its main content work which has not previously been submitted for a degree at any tertiary educational institution.

Cindy McDougall

2007
