

- Min. failing load
- Bending (kN) ..... 10
- Torsion (kN.m) ..... 7
- Min. creepage distance (mm) ..... 4495
- Lightning impulse withstand voltage (kV) ..... 650
- Power frequency withstand voltage wet (kV) ..... 275
- Resist 9-Grade Area Earthquake
- Material
- Porcelain: C130-IEC60672
- Color of glaze: Brown
- fitting: Hot Dip Galvanized
- Tolerance
- Porcelain: IEC60168
- Insulator: IEC60273
- Tests
- Acc. to IEC60168
